

Dress Code

There is strong support from parents and staff at South Halls Head Primary School for the wearing of a school uniform.

We believe the uniform helps to promote school pride and encourages students to feel part of a cohesive and supportive community. It promotes unity.

A school uniform helps to develop an understanding of the importance of personal neatness, appearance, presentation and self-discipline. It allows our students to be easily identified and thus promotes a safe environment.

It is an important learning experience for all students who will one day enter the workplace where the attributes mentioned above are highly valued.

The School Board has endorsed the dress code. All students must adhere to the code.
