

SCHOOL BOARD PARENT NOMINEES

GARETH TALBOT

My name is Gareth and I have a daughter in Year 4, having started from Kindy. I have also had my son go all the way through South Halls Head and so the school has been a big part of our family life for many years. Over the course of those years, I have seen many changes and having been a past President of the P&C have been, along with lots of other parents, a firm supporter of the staff and the school. Outside of school, I work for a software business (based in Perth) and I am an active member of the community working with a Not for Profit in the Disability Sector and also being a member of Rotary. In putting myself forward for the school Board, I would like to bring all these experiences together to help support the school in continuing to grow, prosper and deliver a quality education to all our children.

Hi, I am Deb Maybury, and I would like to represent the people of our school village community and would feel privilege to become a board member for our school. A little bit about me, I have two children who attend our wonderful school in years 6 and 3, I work part time and been proactive for the P&C for seven years and continue to do so. I thrive on bringing our community together on a wider scale for the Seascapes Community Association and have been an active member for ten years, creating events and projects for people young and old to enjoy. I have a dog named Cooper who collects Socks for the homeless - Socks for Cooper, and this is our fourth year.

With this combination of understanding and continuing to learn and care about our community, I will be thrilled to be nominated as a Board Member and have the opportunity to represent our people and students at South Halls Head Primary School. I appreciate taking your time to read this, and if nominated, I truly will do my best to help you.

DEB MAYBURY

PAUL GALLASH

Firstly, many thanks for the opportunity to re-nominate for the position of the SHH school board. My name is Paul Gallash and I have been an active member of the SHH school board the past few years in the capacity as a staff member and now a parent of Maggie and Ollie Gallash whom both attend the school. My current role as Deputy Principal at Greenfields Primary School has been hugely rewarding over the past 4 years and have been lucky enough to see the successes that both schools have achieved both academically, and socially. South Halls Head has always been under fantastic management with strong operational and strategic direction and I would enjoy the opportunity to remain on the SHH board in 2022 to ensure that this continues into the future.
